Travel Tips

Take a flexible shoe rack and hang it on a door in your cabin. It has a lot of little pockets for holding sunscreen, cell phones, hair brushes, etc. Even shoes! It folds down small enough to fit in a pocket in your suitcase.

Australia

Is it an island or a continent? Australia is the sixth largest landmass in the world which explains in some ways the reasons why it is so diverse. There are 6 states and 2 territories, all offering a wide range of attractions and landscapes to entice the visitor. Consider the different terrains – tropical rainforests, red desert, coral reefs, snow-clad mountains, wetlands, winelands, national parks, bushland and so much more. On top of these are a number of cities with plentiful culture to compete with any other destination.

Fun Fact: Australia was once a penal colony – perhaps it was the convicts who gave the Aussies their unique humor! Australia’s nickname is “Oz” which dates back to the early 20th Century.

Ports of Call

Sydney: You'll want to explore this area, home of the iconic Opera House. Admire the skyline, swim at a harbor beach or cross the Sydney Harbour Bridge.

Eden: It's considered one of Australia's best locations for oyster farming, so bring your appetite.

Burnie: A community of artisans on the northwest coast of Tasmania, Burnie has a long history as a community that makes things, with locally crafted European-style cheeses, fine papers, ceramics and single-malt whiskey.

Melbourne: Once the richest city in the world thanks to a gold rush, Melbourne is Australia's cultural capital with striking architecture, chic galleries and boutiques.

Kangaroo Island: Kangaroos, koalas, wallabies and fur seals are some of the residents you may encounter while visiting Australia's third largest island.

Adelaide: Tandanya – Australia's oldest Aboriginal-owned and managed multi-arts center – to learn about the region's original inhabitants. Wine enthusiasts shouldn't leave without tasting Australia's best known wine, Grange, which is made right in Adelaide.
