Policy and enrollment information about the MH Ross Travel Insurance Plan will be enclosed with your deposit receipt.

Exclusions

Mayflower Tours reserves the right to alter its Refund and Cancellation Policy when a substantial amount of cancellation or postponement of travel is attributable to: conditions resulting from an act of God, natural or man-made disaster, fire, government action, civil disorder, war, hostilities between nations, or unavailability of transportation through no fault of Mayflower Tours.

Air Services

Airfare may be purchased through Mayflower for travel originating in the United States. By using Mayflower's air services, you accept that Mayflower is only acting as your agent and is not responsible for any accident, death, personal injury, illness, property damage, delay or other monetary loss or expense of any nature that may arise directly or indirectly out of any act of God, or any actions or default of any carrier. Mayflower is not liable for, and does not assume responsibility or accept claims with regards to any losses incurred due to cancellation of flights or change in flight schedule resulting in additional expenses to you, even when the air services are purchased through Mayflower.

"Freedom to Travel" Guarantee

On those rare occasions when the Exclusions mentioned above make it necessary to modify its Refund and Cancellation Policy, Mayflower's "Freedom to Travel" Guarantee will take effect for those passengers who purchased the Travelers Protection Plan (TPP). This Guarantee will allow travelers to apply all monies paid to Mayflower Tours, including the Cancellation Fee Waiver, toward any future Mayflower tour that departs within 12 months of their notification.

Tour Price Includes

All motorcoach transportation noted in the tour itinerary, round trip airport transfers on the tour departure and return dates (only), services of the Tour Manager and driver, lodging, sightseeing, taxes, admissions, gratuities for bellmen and waiters for included meals, as well as future travel credits. Included meals are clearly noted in the touring description. Air transportation is available upon request, at additional cost for United States and Canada Tours. For travelers purchasing their own air, airport transfers are included provided their flight arrival and departure times meet the time frames suggested in the brochure.

What is Not Included on the Tour

The land price of your tour does not include airfare to the tour departure point; excess luggage charges; items of a personal nature; meals not included on the itinerary; sightseeing attractions listed as "optional excursions" and gratuities to the full time Tour Manager, motorcoach driver, all airport skycaps, van or limo drivers and local guides.

Airline Security Measures

The Transportation Security Administration requires that travelers provide their name exactly to their airline as it appears on the passport or a government issued I.D. (like a drivers license) to be used while traveling, along with their date of birth and gender when making reservations to fly within the U.S. When making your flight reservations through Mayflower Tours, you will be asked for this information by our staff. Due to airline security measures, your photo I.D. or passport must match your airline ticket name and your tour reservation name or you may be denied aircraft boarding.

Passport & Visas for Canada and Mexico

Each U.S. citizen must have a valid passport for entry into Canada and Mexico. No other documents will be accepted. Expiry date of passports should be at least six months after the return date of tour. If you don't have a passport, call our office and we'll tell you how to apply for one. Holders of non-U.S. passports should contact their nearest consulate and inquire about the necessary passport or visa documentation required for entry into the countries visited.

TRAVELERS PROTECTION PLAN (TPP)

Our Travelers Protection Plan consists of a Cancellation Fee Waiver combined with Travel Insurance Benefits.

Part A - Cancellation Fee Waiver (CFW)

Should you have to cancel your tour or interrupt your tour en route, we have added a non-refundable Travelers Protection Plan (TPP) of \$150 (Land Tour with Air*) or \$100 (Land Tour Only) per person in our deposit schedule. If you do not wish to purchase this protection, simply deduct the amount from your deposit. This non-refundable fee waives all cancellation fees and penalties, provided we are notified of the cancellation one day before your tour departs. While on tour, if a passenger must leave early due to a personal illness, illness or death of a member of the immediate family, the purchase of the Travelers Protection Plan (TPP) guarantees full refund for any unused services (including purchased optional excursions) after the departure of the tour. Handling of return air transportation is included if your airline tickets were provided by Mayflower Tours. *Exception: If you purchased non-refundable airline tickets from Mayflower Tours, the TPP does not provide a refund for the airline tickets in the event of a cancellation or a return transportation benefit if you must return home early. You will only be charged the TPP premium for the land tour instead of the premium for land tour with air.

Exclusions

Mayflower Tours reserves the right to alter its refund and cancellation policy when a substantial amount of cancellation or postponement of travel is attributable to: conditions resulting from an act of God, natural or man-made disaster, fire, government action, civil disorder, war, hostilities between nations, or unavailability of transportation through no fault of Mayflower Tours.

"Freedom to Travel" Guarantee

On those rare occasions when the Exclusions mentioned above make it necessary to modify its Refund and Cancellation Policy, Mayflower's "Freedom To Travel" Guarantee will take effect for those passengers who purchased the Travelers Protection Plan (TPP). As a member of Tourism Cares, we continue to share in the mission of Tourism Cares to protect and enhance these experiences for future generations.

Tourism Cares is a non-profit organization that benefits society by preserving, conserving and promoting the responsible use of our world's natural, cultural and historic treasures and supporting education and research to help secure the positive future of travel and tourism worldwide.

THE TOURISM CARES FOR ANGEL ISLAND

300 volunteers, including Mayflower's president and co-owner John Stachnik, spent the day repairing the infrastructure and cleaning the grounds of Angel Island in San Francisco Bay. Angel Island is known as the "the Ellis Island of the West," as this is where immigrants from the Pacific Rim first entered America. The site celebrated its 100th anniversary in 2010.
