## *Celine Dion Returns to Las Vegas*

After five years of sold-out shows at the Colosseum, Caesars Palace, Celine embarked on a year-long worldwide tour in 2008-2009, visiting 5 continents, 25 countries and playing to more than 3 million people.

This past year Celine has been enjoying some valuable family time and now that she's been able to enjoy this time off, she's getting ready to return to Las Vegas in 2011, with a brand-new spectacular show.

Celine has always been a pioneer when it comes to creating groundbreaking concert performances and this next adventure promises to be the best ever! Featuring 31 musicians, consisting of orchestra and band, Celine's new show will include her biggest hits performed with a stunning visual presentation.

**NOW OPEN** after undergoing a \$25 million transformation! Sandpiper Bay is known as the only family all-inclusive resort in the U.S. and is the flagship of Club Med "Premium Sports" resorts, with state-of-the-art facilities and elite training programs.

### **Vacations come alive in the abundance of a warm Florida sun.**

Inexplicably, many resorts insist on creating fictitious lands in Florida. Personally, we think the state has an excellent theme of its own. It's the invigorating feel of the cool breezes. And it's the excitement in the air as adults and kids alike experience everything there is to do.

Club Med Sandpiper encompasses all of these elements, then enhances them with programs, amenities and activities designed to take advantage of everything this beautiful slice of Florida has to offer.

From swimming, sailing and splashing in the St. Lucie Waterway to dining, dancing and discovering new thrills all across the village, Sandpiper invites families to spend moments together that they'll never forget. And, as the only Total All-Inclusive village in the U.S. open all year long, your family is invited to let those moments last the whole year through.
