TRAVEL INSURANCE

This is one of the most important items to make sure you obtain when you book a vacation. WHY? I hear some of you say, let me share why.....

When you book any vacation irrelevant of the cost the one thing you always want to happen is for everyone on that vacation to enjoy themselves. Without insurance how can you guarantee this. Here are some areas that you may not realize you are covered for by travel insurance:-

- ◆ If anyone traveling fell ill and unable to travel
- ◆ Or an immediate family member—not traveling—but fell seriously ill
- ◆ Trip delay
- ◆ Baggage delay/damage
- ◆ Medical Expenses (Do you realize your US health insurance does not cover you once you leave the US!!)
- ◆ Emergency Medical transportation
- ◆ Inclement weather
- ◆ Strike
- ◆ If your house was flooded/vandalized/burglary/fire
- ◆ If you were in an accident en route to your vacation
- ◆ If you were subpoenaed for jury duty

And much more.

Why pay money for a vacation when for a small price you can protect it with Travel Insurance. We can provide you with quotes for all different types of coverage. **DO NOT LEAVE HOME WITHOUT IT.**
