Gleneagles Kicks-Off 2012 With Golf, Culinary & Spa News From Scotland

Ryder Cup Dates Set

Mark your calendar – the 40th Ryder Cup will take place on the PGA Centenary Course at Gleneagles from Friday, September 26, 2014 to Sunday, September 28, 2014. Refinements to the layout of the PGA Centenary Course (under the guidance of Jack Nicklaus, who originally designed it) are currently underway. The intent is to modernize the holes for today's game and technology, as well as create some slight aesthetic changes and a better flow for spectators.

Raise Your Glass' at Gleneagles

The new Sommelier's Table in the Gleneagles Cellars is now available for wine and spirit tastings, intimate dinners, cocktail parties and canapé receptions. Our knowledgeable sommeliers can give guests a tour and introduce them to some of the cellar's hidden gems including a collection of Dom Ruinart, from the world's oldest commercial champagne house. The cellars are also home to around 350 single malt whiskies and include drams from every region in Scotland, including a rare 70-year-old Mortlach (the world's oldest whisky) and bottles from lesser-known producers around the globe such as Canada, India and Ireland.

Gleneagles has a choice of special offers ranging from one night stays to short breaks or week long holidays. With golf and spa breaks, gourmet food related breaks, February break, Kids stay free, Easter break, ESPA Life launch offer and luxury breaks in our holiday homes, there will be a perfect option for your stay.

Traveling on a Cruise? Do you need a Passport?

Fortunately, some cruise passengers continue to be exempt from the passport requirement. Passengers on any "closed-loop sailing" -- an itinerary that begins and ends at the same U.S. port -- do not require a passport or other WHTI-compliant document in order to re-enter the U.S. They do, however, still need you to present a government-issued photo ID (such as a driver's license) and proof of citizenship (an original or certified copy of a birth certificate, certificate of naturalization or similar documentation). Passengers without acceptable identification will not be allowed onboard and will not receive a refund if they miss the cruise for lack of correct documentation.

The Grand Solmar Land's End Resort & Spa

Leaving people speechless since 2011.

Faces tell the whole story. Jaws drop. Eyes widen. Grins curl from ear-to-ear. In short order a look appears that says, "This is even better than I expected. I made the perfect choice."

When voices are found, there's amazement over the location impossibly situated between cliff and sea. Pelicans soaring over golden sands and sailboats scooting across blue waves. Infinity edge pools with swim-up dining. White-canvased cabanas complete with poolside massages. And a seasoned staff who wait, hands folded, for the next opportunity to serve.

Thoughtfulness and thoroughness are the trademarks of the Grand Solmar. Every detail was considered right down to the intricate designs in the walkways, the stone entries to the rooms and the subterranean passages for the staff.

This is an exciting new property, an elevated standard of luxury and an undeniable chance to be left speechless.
