Hawaii - Do's and Don'ts

- Don't travel during school holidays, accommodations and flights are off the charts during these times
- Don't try to see everything. It gets too expensive and exhausting to see the entire archipelago on your vacation.
- Don't fall for the luau, most are overpriced and far from the real thing. At sunset at Waikiki Beach, you can watch free hula shows.
- DO splurge on an adventure, whether you fancy diving deep into the sea, soaring over waterfalls on a helicopter tour or kayak trip, treat yourself.
- DO consider staying in a condo, repeat visitors know to rent a condo, kitchens, ample square footage and more ends up saving money.
- DO stick to visiting one or two islands only.

Part One - Norwegian Breakaway will take recreation and outdoor fun to new heights when it launches in April 2013. The ship's top decks will feature the first Aqua Park at sea with five full-size water slides, including twin Free Fall slides, the first ever at sea, and a three-story sports complex that includes the largest ropes course at sea, a nine-hole miniature golf course, basketball court, rock climbing wall and more. The line also announced that the ship will feature Nickelodeon experiences for the whole family and will include a Nickelodeon themed Kids' Aqua Park.

"Norwegian Breakaway's outdoor decks will offer spectacular fun and thrills for the entire family," said Kevin Sheehan, Norwegian's chief executive officer. "As a sports enthusiast, I am so excited about the extraordinary recreation and the over-the-top ways to play on this incredible new ship. From the amazing Aqua Park to the thrilling ropes course with its 'plank' feature, Norwegian Breakaway has been designed to ensure that our guests will have the time of their lives."

The Aqua Park is Norwegian's biggest yet and features five multi-story water slides. Norwegian Breakaway is the first cruise ship to feature the Free Fall – two side-by-side slides where guests will stand up and have the floor drop from underneath, propelling them into a thrilling loop. Offering another first with a twist are two additional side-by-side twister slides – called The Whip -- that deliver an unforgettable adrenaline rush as they plunge guests on a spiral race to the finish line. For those who prefer a more relaxing ride, there is a family-friendly open-flume body slide. The Aqua Park also features a Kids' Aqua Park, two swimming pools, four hot tubs and the Breeze-way Bar & Grill, a semi-open air eatery.

In the Kids' Aqua Park, children can cool off with colorful, whimsical and larger than life Nickelodeon characters from Bikini Bottom, including SpongeBob SquarePants, Patrick, Squidward and more. The tropical area will include a kid-sized pool and slide, along with multiple water features that squirt and shower guests with delight.

The three-story sports complex will be Norwegian's largest and feature the line's first ever ropes course, the largest one at sea. The ropes course with its multi-level structure will challenge guests to more than 40 different elements, including a zip track. For a thrill like no other, guests will confront The Plank, a platform that extends eight feet over the side of the ship. Those who choose to test their courage on The Plank will be rewarded by having their photo taken after conquering this heart-pounding, yet breathtaking, feat. Kids will be challenged as well with a special ropes course just for them. In another first for the line, the nine-hole ocean-themed miniature golf course is located beneath the ropes course, offering family fun with friendly competition. A rock climbing wall, bungee trampoline and spider web, a 24-foot enclosed climbing cage complete with a spiral slide, round out the activities.
