THE CHEF'S TABLE

Carnival has introduced an exciting fine dining option for our guests – The Chef's Table. This one-of-a-kind culinary experience includes an exquisite multi-course private dinner hosted by one of the line's master chefs along with a private champagne reception (soft drinks for kids) and a personalized tour of the galley.

With The Chef's Table, a select group of 12-14 guests enjoy champagne and hors d'oeuvres hosted by the ship's chef de cuisine. The chef then takes the group on a personalized tour to see the galley in operation, providing participants with a unique perspective on Carnival's extensive food and beverage operations.

The evening concludes with a sumptuous full-service dinner with delicious appetizers, entrees and desserts created by the line's master chefs. Depending on the vessel, the meal takes place in non-traditional dining venues throughout the ship – the galley, library, conference center, etc.

The cost is \$75 per person. The dinner(s) as well as the dinner date(s) are subject to the number of guests wishing to participate in this experience.

The dress code follows the dress code specified for that evening on board; since guests are taken on a personalized tour of the galley, open-toed, heels and shoes with slippery soles are discouraged.
