Best Rafting Vacations in the West Since 1961

After 50 years guiding adventurous travelers through the most spectacular rivers and canyons in the West, Western River Expeditions has carefully crafted what we consider to be the **best rafting vacations in the world**. The setting and pace of an **all-inclusive** Western River rafting trip give you something you don't find in other vacations. On a Colorado River rafting trip, Grand Canyon rafting adventure, Utah rafting vacation, or Idaho rafting trip, you'll find the **absolute escape** from the hectic world around us – completely free of distractions. Join Western on a whitewater rafting trip and discover the relaxation of drifting down river without a care in the world, the **exhilaration** of rafting America's most legendary whitewater, the **exploration** of seldom-seen natural wonders, the **peaceful reflection** of gazing up at the star studded sky. On a Western River Expedition you will quickly discover why so many are calling this "the best vacation of their lives."
